

COM-14071 North London

A fully equipped studio.

STUDIO FLOOR PLAN.

1. THE STUDIO.
A private, fully equipped 82.6 m² studio designed for secure, branded, broadcast-quality productions, including a prep area, studio space, and production storage.

2. HAIR & MAKE-UP ROOM.
A dedicated prep space with professional lighting and mirrors for presenters and guests to get camera-ready, plus comfortable facilities for wardrobe changes, clothing rails, and styling.

3. FULLY EQUIPPED KITCHEN.
Keep your team fuelled throughout the day with our modern kitchen space, stocked with everything you need for breaks, catering, and refreshments.

4. GREEN ROOM.
A relaxed space for clients, presenters, and guests to wait, rehearse, or unwind before going live.

5. PRODUCTION GALLERY.
The technical heart of the studio, fully fitted with video, routing, and recording systems for smooth, broadcast-quality delivery.
